Had to make a last minute trip to the Maitland area and had a huge craving for Chicken Marsala so after doing a little research on Google, I decided to go to Antonio and not only was the service amazing but the Chicken Marsala did not disappoint. It was absolutely delicious. So kudos and compliments to the chef and waiters at Antonio's Ristorante.

Monessah:
We are glad you tried us and glad you liked our marsala. We only use Florio Marsala from Sicily (the best we can buy) and we add a touch of Glase, that takes three days to make, which adds the depth of flavor. we are also glad that you had a good experience with our service. We hope to see you again soon and thank you for the five-star review.
